Picture of my Grandma, myself and my Mum

Example

This is a picture of my Grandma and my Mum at Christmas time.

My Grandma's name is Iris. She is old. She is short and curvy. She has short, blonde hair and green eyes. She has wrinkles. She is very kind but can be very stubborn.

My Mum's name is Sue. She is medium height and is thin. She has short straight hair and has a fringe. She has blue eyes. She is very talkative and tidy.

I'm in the middle. Like my Mum, I also have short straight hair and a fringe. At home we describe my hair colour as 'ginger' or 'strawberry blonde'. I have blue eyes and I usually wear glasses. I have freckles and more so in the summer, with the sun! I am a cheerful person but can sometimes be untidy.

Use the vocabulary that we have used recently in the lessons.

Now its your turn!
Why don't you try and
