

Do you like music?? Do you like singing?? Do you like Billie Elish??  
Then this activity is for you!

To keep yourself entertained and practicing English over the next few weeks, why not learn to sing some English songs.

Song Title: Bellyache by Billie Elish

Task: Start by singing along, the lyrics are on the video, along with some emojis to help you understand the word. At the end of the video there is some essential vocabulary to remember. But why not go a step further and translate some of the other words you don't understand??
