Comment: Hello students, here is a video I would like you to watch. It talks about New York City's neighborhoods. It gives a great explanation of why each neighborhood is special.

Instructions: Please answer the following questions:

- 1) How many major neighborhoods are in New York City?
- 2) What are the Neighborhoods called?
- 3) How many rivers are there?
- 4) What is each river called?
- 5) Name one thing you can do in New York City?
- 6) What would you like to visit in New York City? Why?
- 7) What is your favorite neighborhood? Why?
- 8) How can you travel to New York City?
