

Clothing: Prints and Textiles Worksheet

By: Kristen

Objective: Learn new vocabulary related to clothing and answer questions related to the video.

Level: A2 and above.

Task 1: First watch the youtube video on Prints and Textiles and then complete the worksheet below :)

Discussion Questions

1. What is your favourite type of print from the video? What is your least favourite?
2. What is your favourite type of textile from the video? What is your least favourite?
3. How would you describe the type of clothing that is popular to wear now?

Task 2: Watch this other short video about 100 years of fashion trends. It's very interesting!
